## About the picture on the front cover of this catalog . . .

**H**EADS ARE important in this business of raising Polled Shorthorns. No one should be satisfied simply to breed off the horns because a poor head, with or without horns, is a certain indication of poor breeding and a lack of the ability to perform properly. Let's never forget that heads are our trade-mark and since good heads are usually associated with animals that approach perfection in form, we must have a model in mind at all times. If we can produce heads consistently like the one pictured on the front cover of this catalog, we will accomplish much. It is the head of Creekland Lancer x.

## Performance —

**I**F YOU'RE a careful cattle buyer, you like to look into the matter of PERFORMANCE before you start writing checks. There are numerous ways through which you may satisfy yourself that Oakwood Polled Shorthorns perform properly for those who buy them. Oakwood numbers among its customers good cattle breeders located in practically every state, in most Canadian provinces and in many foreign countries. One of them is just around the corner from you. We urge you to visit him for an inspection of those animals that trace to Oakwood ancestry. See for yourself the proof of performance. Note that they have the trueness of form, character, quality, and class that can only come through strong ancestry.

Study the shows and auction sales throughout the country. Note again how many of the top prize winners and sale top-pers trace directly to Oakwood! This is POSITIVE PROOF of performance.

You may make selections in this sale from 51 lots, all drawn from the Oakwood Herd or bred to Oakwood bulls. You will find them to be individuals that closely approach perfection.

Remember . . . more bulls of top herd-heading calibre will be offered than in ANY OTHER sale this year . . . and more females than ever before are carrying the service of an International grand champion.

We invite you to inspect and buy what we believe to be the finest lot of Polled Shorthorns ever offered from the Oakwood Herd.

First prize pair of bulls at the 1954 International Live Stock Show. Oakwood Landmark x is on the left and Circle View Leader x on the right. Both have been reserved for stock bull duty and each is siring excellent calves at Oakwood Stock Farm.

A sale for  
everyone that  
no one can  
afford to miss

SEVENTEENTH ANNUAL SALE OF

# OAKWOOD POLLED SHORTHORNS

to be held at

OAKWOOD STOCK FARM, ASHVILLE, OHIO

**SATURDAY, JUNE 2, 1956**

Starting at 12:30 P. M., Eastern Standard Time

C. B. TEEGARDIN & SONS, Owners • ASHVILLE, OHIO

*For  
Those Who  
Want the  
Best*

OAKWOOD  
POLLED  
SHORTHORNS

Here are the people who represent Oakwood Stock Farms . . . and they are shown with three of the heifers that sold in the 1955 Oakwood Sale. Paul Teegardin is in the rear. Carol is holding Oakwood Merry Missie 6th x, purchased at \$775 by L & L Farms, Dothan, Alabama. Paul Jr. is holding Oakwood Juliana x that sold to Fred Smalstig, Pittsburgh, Pa., at \$1,000. Clara is holding Oakwood Clara T, purchased by H. D. Case, Mt. Airy, Maryland, at \$2,000, top female price of the sale.

"GOOD WILL is the disposition of a satisfied customer to return to a place where he has been well treated."

—From Ruling 106, No. 81 of the  
UNITED STATES SUPREME COURT

## *We Invite You . . .*

We extend a hearty welcome to all lovers of both Shorthorns and Polled Shorthorns to attend our Seventeenth Annual Oakwood Sale. In our last two sales we have combined the Oakwood offering and the Customers Sale in one event. This combination we like, for we firmly believe we have an obligation to render a selling service to our many customers. However, we feel that we can take a bigger part in a sale of our customers' cattle if it is held as a separate event. This event, we propose, shall be held right here at Oakwood in the early Autumn this year.

We believe those in attendance on June 2 will find this to be the strongest offering in Oakwood history. It will feature the first bulls sired by the \$6,000 imported Lawton Benefactor, the bull we own in partnership with House & Benroth, Willow-Lee Farm, Washington Court House, Ohio. We are certain this bull has founded a new dynasty for he has brought to us at Oakwood many things we need in our desire to produce better Polled Shorthorns.

This sale represents the last opportunity to buy the get of Commander-in-Chief x, certainly one of the greatest of all the sires that have seen service at Oakwood.

A large number of heifers will carry the service of Creekland Lancer, our 1955 junior and grand champion bull at the International Live Stock Exposition and the Illinois and Ohio State Fairs. We have never sold as many heifers mated to one bull in an Oakwood sale, but we have never owned a bull in whom we believed so enthusiastically. He has the right of inheritance to his individual excellence. He should TRANSMIT this excellence to the calves these heifers will be carrying.

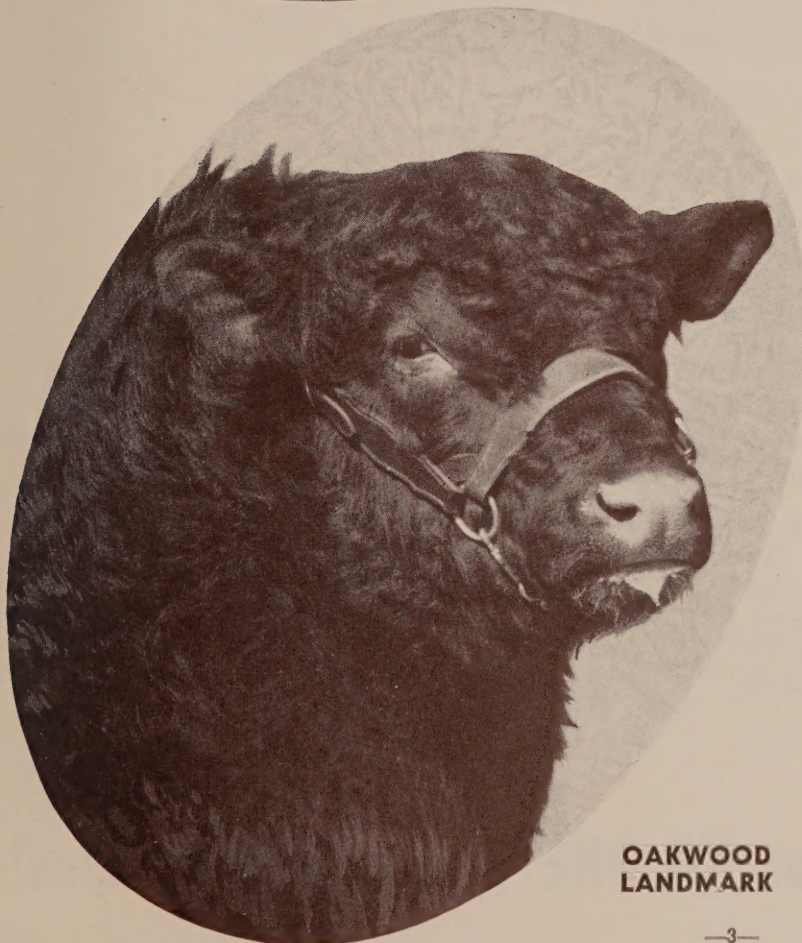

We hope you will arrive early enough to allow a thorough inspection and study of the sale offering. We also want you to study the herd bull battery, the cow herd and the young things coming on, so that you may see that the Oakwood pattern is well defined. We want to get acquainted with you and we want you to get acquainted with Oakwood Polled Shorthorns.

*Paul D. Teegardin*

**CREEKLAND  
LANCER x**

**OAKWOOD  
LANDMARK**

# Our goal must be definite and we must ALL work toward it . . .

Complacency . . . the feeling of inner satisfaction that comes with a task well done . . . frequently proves the forerunner of a downfall.

We who are the custodians of Polled Short-horns, the most useful cattle on earth, may take great satisfaction from the fact that our breed was developed and brought to its present high state of efficiency on this continent. We may rejoice still further in the fact that our country provides the principal source of supply for Polled Shorthorn seed stock.

But let's not become too complacent! To attain world leadership is one thing. To **RETAIN** world leadership is another. Holding our position through strength of mere numbers is not possible.

What must we do to enhance our position?

We must take advantage of every possible opportunity to improve the **QUALITY** of our cattle. Our goal must be definite and we must **ALL** work toward it. We must take as our pattern the champions of our strongest shows and we must surround ourselves with the best tools that are available for the perpetuation of this pattern. We must produce animals of championship form by the thousand, not by the dozen.

The eyes of many foreign countries are upon us. These eyes are focused on **QUALITY**, the indescribable characteristic that represents a combination of perfect beef form with evidence of the ability to breed on. The polled head alone will not suffice. Heads must be right . . . they must be attached to good bodies and must display the character that can come only as a result of strong ancestry.

The world is our market. We can take advantage of our position only if our own houses are in order.

# Are you ready for the new fields that are opening in the Polled Shorthorn business?

Dear Friends:

I have just returned from an inspection of the 1956 Oakwood sale offering. I am much enthused over the quality of the Polled Shorthorns to be sold at Oakwood Stock Farm, Ashville, Ohio, on Saturday, June 2nd, and I feel very sure that all others who view them will share my enthusiasm. This will be the sixteenth annual sale of Oakwood Polled Shorthorns. Although a great lot of cattle have passed through the fifteen former sales, it does seem to me that each year the Oakwood mould is a little nearer perfection, type and balance a bit more pleasing, and the pedigrees contain new crosses that result in more character and quality in each animal.

When the owners of Oakwood purchased imported Lawton Benefactor from Les Mathers at a cost of \$6,000, they did a great service to the industry. Mating him with Oakwood females brought about a blend of the blood of many International grand champion Polled Shorthorn bulls with that of Kirkton Baronet, Kirkton Envoy, Lawton Field Marshal and Naemoor Marshal, the most prepotent blood of Scotland. The results have been amazing. Calves and yearlings are now at Oakwood in large numbers and will form the background of the 1956 sale offering. In my opinion the polled calves by Lawton Benefactor are the best yet produced at Oakwood and those who buy them will be infusing into their herds the strongest blood of two continents.

And now a word about Creekland Lancer. He looks better today at Oakwood than when he won grand championship at the 1955 International. From the tip of his nose to the end of his tail, he analyses perfectly. He is a marvel for thickness, perfect balance and character as displayed by a great polled head. Many of the heifers in the offering are well forward in calf to him and his service will be a great feature of this sale. Most certainly it was a stroke of good judgment when Paul Teegardin bought this sensational son of Louada Developer from Creekland Farms.

A great demand for Polled Shorthorns is developing from foreign lands...Australia, New Zealand, Scotland, Argentina and other South American countries. Although the chief source of supply is in the United States, we must improve the general character and quality of Polled Shorthorns if we are to satisfy these critical buyers. New blood is necessary in the accomplishment of this aim. The Teegardins have infused new blood into Oakwood Polled Shorthorns and are now in position to supply it. The 1956 Oakwood Blood Bank Sale will provide stepping stones to those who are reaching for better quality, broader demand and greater profits.

*Hal Longley*  
Publisher,  
The Shorthorn World.

## A Sale for EVERYONE that NO ONE can afford to miss!

**CREEKLAND LANCER x, 1955 INTERNATIONAL GRAND CHAMPION**

Despite heavy service, he looks better today at Oakwood than when he won grand championship at the 1955 International. He represents perfection in its truest form. He is a marvel for thickness. He has tremendous bone. He is short of leg and his rear-quarter is bulging. His head displays worlds of character, the thing so essential to producing cattle of class and distinction. Like Lawton Benefactor, he too brings the blood of Kirkton Baronet to Polled Shorthorns, through his grandsire Calrossie Highland Leader, rated as one of Scotland's best sires. His role at Oakwood is important. All offers on him have been refused and he is being used liberally in order that his character, type, bone, balance and thickness may become a part of Oakwood Polled Shorthorns. His service will be a feature of this sale. No International grand champion bull has been so universally popular with everyone . . . none has held more assurance of becoming a BREED BUILDER.

# Putting more in the Oakwood bloodbank so that Oakwood Customers may take more out . . . through these noted sires—

**Oakwood Conqueror x**

**Oakwood Predictor x**

**Oakwood Landmark x**

**Circle View Leader x**

**Imp. Lawton Benefactor**

**Creekland Lancer x**

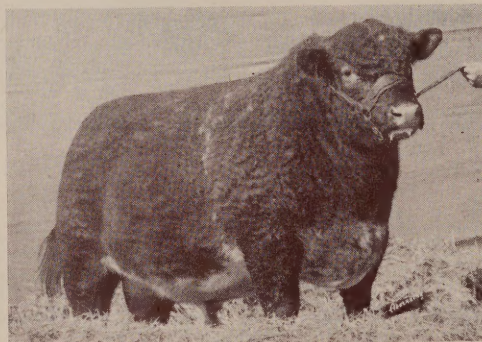

**When you're trying to  
decide where to buy  
your next herd bull —  
think what others have  
done with Oakwood  
bulls!**

Yes . . . you'll agree that this is the strongest herd bull battery in Oakwood history . . . and probably the strongest to be found in one Polled Shorthorn herd in the world!

**To be exhibited in 1956 and retained for herd bull insurance . . .**

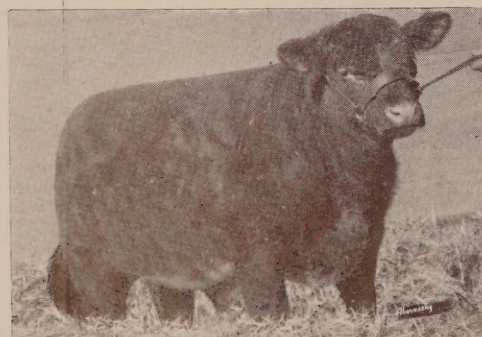

Oakwood Regulator x, undefeated in 1955 as a junior yearling at the International, Ohio and Illinois State Fairs. Sire, Commander-in-Chief x. Dam by Edellyn Supreme Mercury.

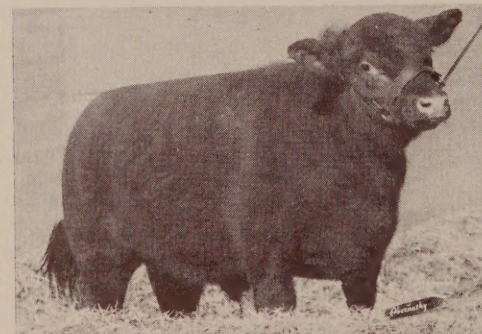

Oakwood Maximum — Sire, Commander-in-Chief x. A full brother to Oakwood Myrtle 4th, senior and reserve grand champion female at the 1952 International.

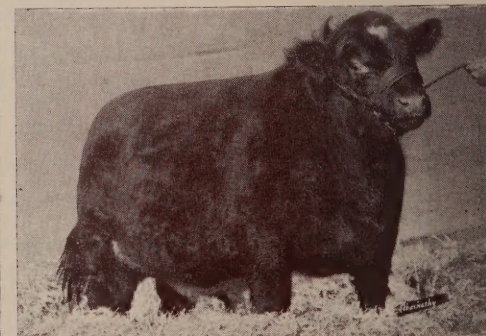

Oakwood Annuity — Sire, Oakwood Conqueror. Dam, Oakwood Gloster K by Oakwood Leader. He is retained for 1956 showing.

Oakwood Braemar — Sire, Lawton Benefactor. Dam, Oakwood Bonnie Butterfly, full sister to Oakwood Conquest, \$7,000 son of Commander-in-Chief, heading the L & L herd.

Oakwood Coronation — Sire, Oakwood Determination. Dam, Oakwood Gladness, 1950 International reserve grand champion female by Oakwood Leader.

Oakwood Metaphor — Sire, Oakwood Conqueror. Dam, Oakwood Missie 5th by Oakwood Emperor. He is retained for 1956 showing.

# Just a word about this export business . . .

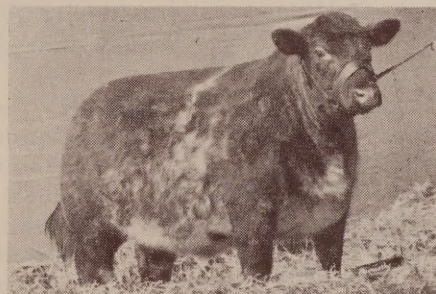

The export trade is mighty nice if you can get it because the foreign buyers who are introducing Polled Shorthorns into their countries are willing to pay premium prices in order to obtain the very best. They want to take advantage of every bit of improvement that American breeders have been able to attain. They want to start their herds at the point in Polled Shorthorn progress that has taken us nearly a century to reach. Small wonder that the breed reaches a high point of perfection in these countries in a few short years!

Why isn't there a lesson in this for us? The quality, the character, the true beef form and polled heads that denote class and distinction can come only from good seed. Why not start with the same kind that the buyers from Scotland, Argentina, Australia, New Zealand and South Africa demand? Only through the planting of such seed can one hope to attract the lucrative trade from foreign buyers.

Eleven bulls and forty females are selling in the 1956 Oakwood Sale. Backed by the most prepotent blood of the breed and displaying excellent beef form, they should attract the bids of those who aim for the premium trade.

**These two were selected by Manager Gordon Blackstock to go into the foundation of the new Polled Shorthorn herd being established at Bapton, Cairnbrogie, Oldmeldrum, Aberdeenshire, Scotland.**

Oakwood Rosewood 36th is one of the first daughters of Oakwood Landmark. Her dam, Oakwood Rosewood 16th is sired by the 1939 International grand champion bull, Oakwood Merry King. Second dam topped the 1939 International sale. She too is to be mated to Creekland Lancer.

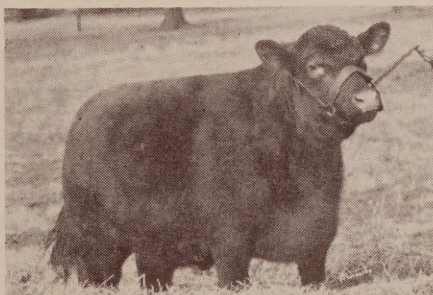

Oakwood Missie Mine is a daughter of Commander-in-Chief. Dam, Oakwood Missie 12th by Oakwood Emperor, 1936 International grand champion bull. She is a full sister to the \$4,000 Oakwood Majesty, 1955 National Polled Shorthorn Congress grand champion bull. She too is to be bred to Creekland Lancer.

Oakwood cattle enjoy a world-wide demand. The five animals pictured here have been sold to foreign countries within recent months.

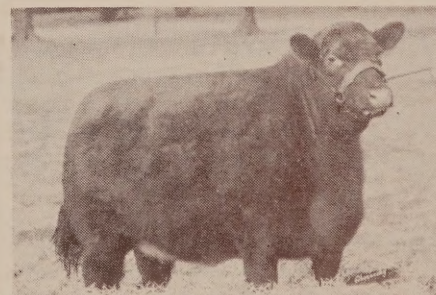

**These three were purchased recently by Gregorio and Numo Werthein, Buenos Aires, Argentina.**

Oakwood Manifest — Full brother to the \$6,500 Oakwood Mainstay, 1950 reserve grand champion at the International, now siring top cattle for Kyalla Pty. in New South Wales where a daughter recently sold for \$3,050 at auction.

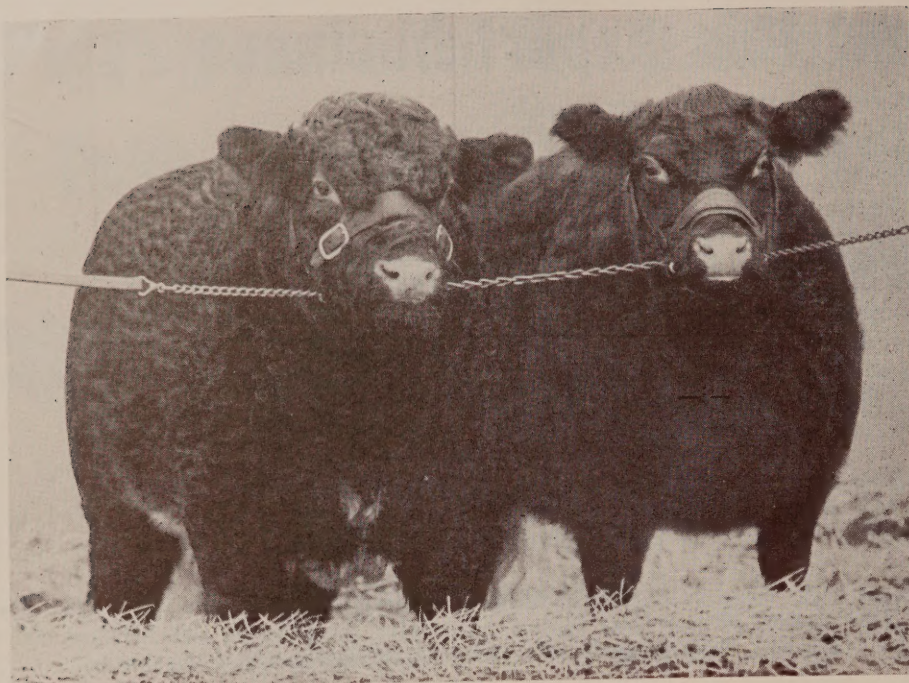

Oakwood Happiness 15th — September, 1954, daughter of Oakwood Conqueror. Dam sold for export to King Bros. of South Africa at \$4,000 in 1944. Second dam a maternal sister to Oakwood Harmony, three times Inter'l championship winner. Bred to Creekland Lancer.

Redman's Augusta 21st — Sired by Oakwood Jubilee, son of Commander-in-Chief. Maternal sisters in herds at Princess Anne Farm, Norfolk, Virginia, and Melvin Kiger, Circleville, Ohio. Bred to Creekland Lancer.

Each year more and more experienced Shorthorn breeders express a desire to switch to Polled Shorthorns. The cattle offered in this sale will please these discriminating and experienced cattlemen.

The Oakwood pair of yearlings, Creekland Lancer x and Oakwood Clara T x. First prize at the International and undefeated wherever exhibited in 1955. Oakwood Clara T x was the top selling female at the 1955 Oakwood Sale and is now owned by H. D. Case, Mt. Airy, Maryland.

## Terms and Conditions

**GUARANTEE**—All cattle in the Oakwood Stock Farm sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. In addition, C. B. Teegardin & Sons will guarantee all animals in this sale to be breeders, regardless of age. A condition of our guarantee is that notices of failure to breed must reach us within 6 months in the case of animals over 14 months of age at the time of purchase, and within 9 months in the case of animals under 14 months old at the time of purchase. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

**ANNOUNCEMENTS**—All announcements made from the auction block on sale day and the information printed on the breeding sheet which will be provided on sale day will be considered final and will take precedence over matter printed in this catalog.

**TERMS**—The terms of this sale are cash unless arrangements are made in advance with the owners. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

**HEALTH**—The Oakwood Herd is Federally Accredited for Bangs Disease (No. 15,085) and Federally Accredited for Tuberculosis (No. 44,285). We practice calfhood vaccination for Bangs Disease. All females have either been vaccinated or have passed a clean Bangs test within 30 days of the sale. A 60 day Tuberculin retest will be allowed. Health certificates issued under the direction of the Ohio State Veterinarian will be provided with each lot sold.

**LIABILITY**—The above guarantee and terms shall constitute a contract between C. B. Teegardin & Sons and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will make every effort to provide for the comfort and safety of sale day guests but we assume no liability for accidents of any nature.

**INQUIRIES ABOUT CATTLE LISTED**—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Ill.

**Please Note That The Oakwood Herd Is Federally Accredited  
For BOTH Bangs Disease And Tuberculosis.**

**Three great auctions  
in two days — 150  
head of superior  
Shorthorns and  
Polled Shorthorns  
selling within a  
50 mile radius**

THE OAKWOOD HERD

**Why not attend all three of  
these important sales**

**FRIDAY, JUNE 1 —**

On this day starting at 12:00 o'clock noon, (Eastern Standard Time) will occur the Willow Lee-Clay Hills-Clear Creek Sale at Willow Lee Farms, 6 miles east of Washington Court House. Sixty outstanding Shorthorns from the famous herds maintained by House & Benroth, Carl H. Stander and Marion H. Woody. We recommend that Polled Shorthorn breeders attend this sale and infuse into their herds the strong blood of such famous sires as Drynie Wonder, Lawton Benefactor, Greenwood Souvenir, Ballathie Majestic, Kirkton Gambler and Realization.

**FRIDAY EVENING, JUNE 1 —**

Starting at 6:00 p.m., the Ohio Polled Shorthorn Breeders' Association will hold their annual Show and Sale at the Fair Grounds in Circleville, Ohio. An offering of 45 head has been drawn from the strongest herds in Ohio and the quality will be high. Some of the best buys each year come from the Ohio State Sales. We urge you to attend. Circleville is only 25 miles from Willow Lee Farm and only 12 miles from Oakwood Stock Farm.

**SATURDAY, JUNE 2 —**

Starting at 12:30 p.m. (Eastern Standard Time), the Seventeenth Annual Sale of Oakwood Polled Shorthorns.

**We will be glad to assist in assembling and  
shipping cattle purchased in  
these three sales.**

**W**E REJOICE with all Polled Shorthorn breeders over the continuous improvement that is apparent in our breed. The track is fast and breeders must be alert to keep up with the pace of progress.

How does Oakwood keep up with progress? By a carefully planned program of mating the best with the best . . . champions with champions . . . and this sale provides the Bank from which withdrawals of Oakwood Blood may be made for the further improvement of the most useful breed in the world.

**SATURDAY, JUNE 2, 1956**

**C. B. TEEGARDIN & SONS, Owners  
ASHVILLE, OHIO**

**HAL LONGLEY, Sale Manager  
16 S. Locust St., Aurora, Illinois**

Oakwood Consideration x by Commander-in-Chief x, 1954 reserve champion Polled Shorthorn Congress bull for C. B. Teegardin & Sons. He topped the Congress sale at \$1,550, going to Earle Moody, Dothan, Alabama.

These three calves, all sired by Commander-in-Chief x, won first prize in the junior get-of-sire class at Ohio, West Virginia and Maryland State Fairs in 1954.

## General Information

**TIME**—This sale will be held at Oakwood Stock Farm, owned by C. B. Teegardin & Sons, Ashville, Ohio, on Saturday, June 2, 1956.

The Seventeenth Annual Oakwood Sale will start promptly at 12:30 P.M. Eastern Standard Time.

Lunch will be served at the farm on sale day by the ladies of the church.

**LOCATION**—Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U.S. Highway 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left on Harrisburg-Fairfield Road where State Route 762 turns right! Go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one-half mile on Goodman-Teegardin Road.

**HEADQUARTERS**—Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

Those coming from the sales at Washington C. H. and Circleville may wish to stay overnight in Circleville where there are a number of good hotels and motels. We will be glad to make reservations for you if you will advise.

We ask all who travel by train or plane to advise us in advance so that we can meet them in Columbus.

The Columbus Airport is 16 miles from the farm. Will be glad to meet planes if notified.

We suggest that you arrive early on the day of the sale so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as the herd bulls.

The auctioneers will be Paul Good, C. D. Swaffar and Ned W. Place.

**MAIL ORDERS**—Those unable to be present who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, *The Shorthorn World*, Aurora, Ill.

H. W. Walker, *Eastern Representative, The Shorthorn World*, 904 E. Maple Road, Indianapolis, 5, Indiana.

Allan C. Atlason, *Secretary, American Shorthorn Breeders' Association*, Union Stockyards, Chicago, Illinois.

Ed Huff, *Eastern Representative, American Shorthorn Breeders' Association*, Culpeper, Virginia.

Harold Schroeder, *The Drovers Journal*, Chicago, Illinois.

C. K. Tomson, *Care of Harding & Harding*, Geneva, Illinois.

Claude Tipton, *Indiana Farmers' Guide*, Troy, Ohio.

Please bring this Catalog with you to the Sale

**Pair of Calves.....First or Second.....15 times**

F. F. Johnson of Alberta and Hi Ho Farm of Maryland bought these two in a former Oakwood Sale at \$1,000 and \$2,000, respectively.

**It's Consistency of  
Performance that counts . . .  
and that's where Oakwood Excels**

The foregoing records prove many things. They prove that the Oakwood type is the RIGHT type. The large number of top awards in the group classes prove that Oakwood Polled Shorthorns are UNIFORMLY GOOD. Most important of all, they prove that Oakwood herd bulls are at the very top of the list of the breed's all-time greatest sires. Study the pictures. The cattle displayed are of the same type and quality as the 51 animals to be sold in the 1956 Oakwood Auction Sale.

**and no herd has distributed more top Polled Shorthorn sires**

## *"Red" . . . a grand fellow and a real cattleman . . .*

"Red" Ferguson (known to a few as Harvey) has been at Oakwood for 14 years. All this time there has been teamwork between Red and Paul Teegardin. His thinking and his ideas are injected into the Oakwood operations. He has had active charge of the show herd, the breeding herd and the sale offering. He knows the herd thoroughly from his years of association with the families, and herd sires used, to produce Oakwood Polled Shorthorns.

No herdsman has fitted and shown more winners than Red Ferguson has brought out for Oakwood. He will be happy to answer your questions and show you the herd anytime.

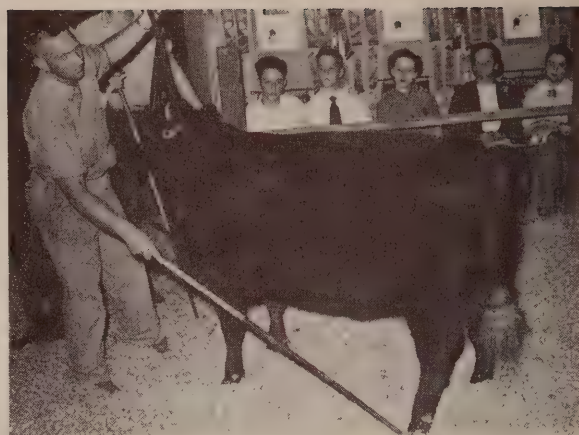

*Howdy folks!*

*It may interest you  
to know that . . .*

a total of 734 head of outstanding Polled Shorthorns have been sold in the sixteen Oakwood Auctions for a total of \$628,990 and a general average of \$856.93.

Were they appreciated? We believe the answer to this question is obvious. A total of 240 different breeders have bought them and most of these men have been repeat buyers.

Is the interest in Oakwood productions widespread? Study the list on pages 28 and 29! The cattle in sixteen Oakwood auctions have been scattered to 28 states, two Canadian provinces and two foreign

"Red" Ferguson leads a good one through the ring at the 1952 sale. The heifer in the picture is Oakwood Good Fortune 2nd x that sold for \$4,600 to Hi Ho Farms.

countries. Add to these the scores of breeders who have bought at private treaty and you will agree that Oakwood productions are at work wherever good Polled Shorthorns are known and appreciated. In the sixteen Oakwood auctions 132 bulls have averaged \$1157 and 602 females have averaged \$790. Oakwood Polled Shorthorns are within the price range of every breeder who is eager to work SURE improvement.

The list on pages 28 and 29 will show the widespread distribution of the cattle that have been sold through sixteen previous Oakwood auctions. We believe the list to be complete, although errors are possible. If any name has been omitted, it is purely an oversight. We are proud of this list and equally proud of scores of others who have bought privately but whose names were not available when this list was prepared. In studying this list we believe you will agree that the best judges of the breed have been Oakwood patrons. We call it . . . the "Oakwood Roll of Honor."

**On the following pages you will find the herd bulls and the  
1956 sale offering, the best in Oakwood history . . . a  
treasure filled with golden opportunities!**

Here are more of the Oakwood kind . . . the quality kind upon which successful herds are founded. The five beautiful animals pictured above were purchased in the 1955 sale by discriminating breeders. The two outside heifers went to H. D. Case, Maryland. The other three went to Fred Smalstig, Pennsylvania; L & L Farm, Alabama; and Fred C. Dennis, Ohio.

## Chart your course along quality lines . . .

There is no set form for success in the business of producing animals of superior form. The tools with which we work are not patented. The methods we use bear no copyrights. It is a field of endeavor wherein all have an equal opportunity. Those who succeed are invariably the ones who study the methods of the masters and who plant the seed that has been proved in the hands of the masters.

Over forty years ago the Teegardins started to breed Polled Shorthorns. Perhaps fewer cattle were purchased at the outset than are acquired for the foundation of most herds, but the owners had studied and knew how to start. They knew bloodlines and they confined their purchases to those that were dependable. They knew the type and quality necessary for the building of a great herd and they did not allow themselves to be swayed into the purchase of some that were "almost as good." A full volume would be needed to relate what they have accomplished in the ensuing years. Briefly, they have bred, exhibited and used more International and State Fair champions than any other Polled Shorthorn firm in the World. An even greater contribution to the industry is the fact that they have distributed to all parts of the United States and to many foreign coun-

tries the kind of seed stock that has resulted in permanent improvement for the Polled Shorthorn breed.

What the Teegardins have done you can do . . . and the job is now easier. By buying the choice individuals in this sale you have the opportunity of starting at the point in Polled Shorthorn progress that it has taken these Master Breeders nearly half a century to reach.

My duties as a fieldman take me to many farms. Nothing is more satisfying than to visit those Polled Shorthorn establishments where improvement is apparent year after year. The Oakwood herd is a wonderful example. The 1956 sale cattle are the best yet offered from this herd and each superior individual is a reflection of good blood and good methods of development.

No breed of beef cattle faces a more promising future than Polled Shorthorns. Those who buy the cattle that are offered in this sale will be in position to satisfy a worldwide demand for the top quality kind.

*Hal Longley*

of The Shorthorn World.

# The 1955 International Grand Champion, Creekland Lancer...

Here's how Creekland Lancer x looks today at Oakwood. Study the picture of his head on the front cover of this catalog.

Unhalted and unposed, Creekland Lancer displays his tremendous spread of ribs and width from end to end.

And here's how he looked on the day we bought him at Creekland Farms.

## CREEKLAND LANCER x

The owners of *Creekland Farms* may feel very proud to have bred him. The owners of *Oakwood Farms* are equally proud to be using him.

Perfect  
any  
way  
you  
look  
at  
him

Ever see greater depth of twist, fuller quarters, heavier bone or more perfect placement of legs?

No sale ever offered so many heifers bred to an International grand champion bull . . . 23 of them, all richly bred and outstanding individuals. You may attend this sale with a feeling of assurance that you can own a top heifer carrying the service of Creekland Lancer.

---

23 of the best heifers offered by Oakwood will sell

---

# The most popular Polled Shorthorn bull of all time . . .

C F Cinderella 2nd x, the dam of Creekland Lancer x.

Hilldale Collynie 8th, sire of the dam of Creekland Lancer x. He has made a great record in the strong herd at Cooper Farms, Noblesville, Indiana.

CREEKLAND LANCER x gave me a feeling of confidence when I first saw him at Creekland Farm. He looked every inch a stock bull. Great head. A sire's eye. Bone—rugged bone, and short from his knee to the ground. A top that was level and true. Wide, front to rear. A bulging quarter. A coat of hair that indicated class and quality. As I had him paraded, he looked a stock bull. His pedigree gave me all the assurance I could ask.

Calrossie Highland Leader, his grandsire, was the same stamp, and one of the best stock bulls by the famed Kirkton Baronet. Kinsman was by Lawton President Roosevelt, brother to Lawton Field Marshal, the sire of Kirkton Baronet. We like line breeding at Oakwood in our herd bulls. Millhills Mysie 2nd was by the celebrated sire, Collynie Elect, and that gave a dash of Aldie Conqueror and Rosehaugh Mandarin. To my mind the sire's side was right!

The dam of Creekland Lancer is a dark roan cow possessed of what brood cows need. She was thick, roomy, deep-sided, had a good udder. She won a reserve grand championship before she came to Creekland. Her sire, Hilldale Collynie 8th x, is one of the breed's top sires . . . a show bull too, for he won the reserve grand championship at the International before going to Cooper Farms. The granddam is a dark roan cow of great scale, smooth, level, a heavy milker and a polled granddaughter of Edellyn Royal Leader. The third dam was an outstanding female in the 1942 National Polled Shorthorn Congress Show and Sale. I liked her too.

To me, Creekland Lancer had every right to the great promise he evidenced. That made me feel we should bring him to Oakwood. His record of winnings at the Illinois and Ohio State Fairs and the International, stands as a matter of record. He topped his class, was junior champion, and grand champion bull at each show. He has seen service since the International and withal he is even more impressive today, in the opinion of recent visitors.

We have never owned a bull that has been as universally popular with breeders, both in this country and abroad.

Visitors from Scotland, Australia, South Africa and the Argentine, have acclaimed him to be the best bull of the breed to date.

We have mated most of the sale heifers to Creekland Lancer. When you see him on sale day, we trust you will share our confidence in him and aspire to use his blood in the plans for your Polled Shorthorn future.

LAWTON BENEFACTOR is proving to be the SIRE we had HOPED FOR. His first calves dropped at Leveldale Farm, Mason City, Illinois, where he saw his first service, were outstanding.

The calves dropped in the Willow Lee herd of Dr. O. W. House and Vernon Benroth, co-owners of Lawton Benefactor, will bear close inspection and comparison. They, too, are of uniform excellence.

Lawton Benefactor was bred to be a sire. That was a must in our minds. He looks the part. A tabulation of his pedigree shows he is backed by the best known sires of Scotland—bulls whose achievements are known and respected—bulls that have been BREED BUILDERS.

We want you to get your eyes full of Lawton Benefactor. Look at his general stock bull makeup—his great head, the eye of a sire. His short legs, his strong sturdy bone—a perfect hind leg. Great thickness and depth of rear quarter. Note his extreme length of quarter from hook to pin bone. Span his coupling to his first rib. When have you found a bull of closer coupling? His rear flank is let down low. A grand hide over thick natural fleshing. All these things are of prime importance at Oakwood.

Lawton Benefactor's sire was solid red, thick and lowset—the same stamp. His dam is a beautiful dark roan heifer, medium in size, correct in her lines and a liberal milker.

The six young bulls being offered in this sale sired by Lawton Benefactor are the most promising lot of herd sire prospects we have ever offered, sired by one bull. We like the good heads he has given them. The strong, sturdy bone. Study their bottom lines—each has a rear flank that is low and full. We feel they will carry the stamp of Lawton Benefactor to their calves and thus contribute to Polled Shorthorn PROGRESS. We are retaining the daughters of Lawton Benefactor at Oakwood from the first crop of calves. They look like brood cow material.

It is MORE THAN PROBABLE that a NEW DYNASTY will be founded for BOTH Shorthorns and Polled Shorthorns by Lawton Benefactor.

An unposed, unretouched photo of Lawton Benefactor as he looks today at Oakwood showing his bone, great width, spread of ribs and grand head.

Another unposed, unretouched photo showing his shortness of legs, position of legs and perfect proportions. Yes, we like him a lot!

Where have  
you seen  
more bone,  
more substance,  
more width,  
more depth,  
shorter legs,  
or more  
perfect balance?

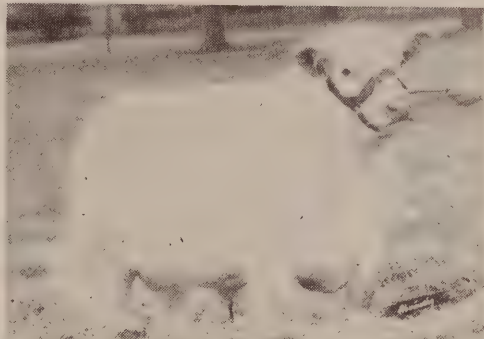

# Shorthorns through the use of the strongest Shorthorn blood in the world

## Nine reasons to believe that LAWTON BENEFACTOR will found A NEW DYNASTY

Oakwood Benefit x by Lawton Benefactor. Sells in this sale as Lot 1.

Oakwood Realist x by Lawton Benefactor. Sells in this sale as Lot 2.

Oakwood Citation x by Lawton Benefactor. Sells in this sale as Lot 4.

Oakwood Adjuster x by Lawton Benefactor. Sells in this sale as Lot 5.

Oakwood Assurance x by Lawton Benefactor. Sells in this sale as Lot 6.

Oakwood Merchant x by Lawton Benefactor. Sells in this sale as Lot 3.

Oakwood Braemar x. This son of Lawton Benefactor is out of a full sister to Oakwood Conquest x, \$7000 son of Commander-in-Chief x, heading the L & L herd. He is being retained to exhibit at 1956 shows.

Leveldale Benefactor, a very good son of Lawton Benefactor produced in the Mathers' herd. Les Mathers thought enough of Lawton Benefactor to use him liberally before offering him for sale.

Leveldale Blythesome 8th by Lawton Benefactor. Bred and exhibited by Mathers Bros, she was good enough to win grand championships at the 1955 Illinois, Iowa and Indiana State Fairs.

All students of the breed will agree that Polled Shorthorn progress has been speeded through the introduction of the blood of certain famous Scotch Shorthorn bulls. In each case these bulls have been selected for specific reasons but always with the aim of better quality and beef form. The master breeder J. H. Miller introduced the blood of Whitehall Sultan and no one can deny the far reaching effects. Another great breed builder, H. L. Straus, introduced the blood of the Royal Leaders and a better breed resulted. Oakwood brought added quality, character and perfection of beef form into Polled Shorthorns through the use of Imp. Gosshall Ximenes.

Judging from the calves and yearlings that may now be seen at Oakwood, it is evident that a further great contribution to the breed has come through the use of Imp. Lawton Benefactor. Mating him with Oakwood females brought about a blend of the blood of

many International grand champion Polled Shorthorn bulls with the most prepotent blood of Scotland. Most certainly the results show that Lawton Benefactor fits into the need for better polled heads, shorter legs from knee to pastern, long rumps, deep twists, flanks low and full (the hardest to achieve), and legs that are set right.

The pictures above are convincing. The calves you will see on sale day are even more convincing. Every visitor to Oakwood, including those from foreign lands, has been impressed with the fact that Lawton Benefactor possesses those hard-to-get and much-needed Polled Shorthorn points and each has agreed that all of his desirable characteristics are being passed on to his polled calves. Yes, the owners of Oakwood have made another great contribution to Polled Shorthorns through the use of Imp. Lawton Benefactor.

—Hal Longley of The Shorthorn World.

**Oakwood Landmark**

Oakwood Brigadier x, first son of Oakwood Landmark x. He was purchased in the 1955 Oakwood Sale at \$7,500, top price of the day, by Senora Esther Fernandez Nessi, Buenos Aires, Argentina.

Oakwood Wonder x, shown above, is being retained at Oakwood for 1956 shows. He is sired by Oakwood Landmark x out of a daughter of Drynie Wonder and Lady Golden 5th x, the dam of both Commander-in-Chief x and Oakwood Leader x.

**We would take nothing  
from his inheritance  
and we would add nothing  
to insure his prepotency  
as a sire . . .**

OAKWOOD LANDMARK is very much the SAME PATTERN as his paternal brother the 1952 International grand champion S-G Admiration. His dam is a daughter of the 100% dehorning, thick, lowset, solid red Oakwood Crown Command. His granddam was grand champion female at the 1938 International and she was one of the best females, as a brood cow, to be produced at Oakwood. There is nothing in his inheritance we would change if we could. He has it the way we want it. This All American Favorite, Edellyn Royal Leader, Gosshall Ximenes, \$5,700 son of the Perth supreme champion Coldoch Union Jack, plus the two International grand champion bulls, Coronet Command x, and Oakwood Royal King x, the Peer of Sires.

The first son of Oakwood Landmark, Oakwood Brigadier, topped our 1955 sale at \$7,500, to go to the Argentine. Senora Esther Fernandez Nessi advises us that she is pleased with him and visitors are highly impressed. One of his first heifer calves was purchased by Gordon Blackstock to become a foundation female in the Polled Shorthorn herd being established at Bapton, Cairnbrogie, Oldmeldrum, Aberdeenshire, Scotland.

On sale day we want you to study him—his depth of body—his shortness of leg, his natural thickness from end to end. His short, strong bone. Legs on the corners. He's a bull of BALANCE. He's the bull of TOMORROW—and he's here TODAY!

Oakwood Wonder, shown here, is a calf being retained for 1956 shows. He is sired by Oakwood Landmark and out of a daughter of Drynie Wonder and Lady Golden 5th, dam of Commander-in-Chief and Oakwood Leader.

Circleview Leader x, senior and reserve grand champion at the 1954 International Live Stock Show. Grand champion at the 1954 Ohio, Maryland and West Virginia State Fairs in horned competition. His dam sold as a bred heifer in the 1950 Oakwood sale.

Circleview Leader is now a member of the herd bull battery at Oakwood. He is the son of Oakwood Leader we are using to carry on the blood of that great sire. He is one of the most popular bulls with cattlemen we have ever shown. His first calf sold to Princess Anne Farm, Norfolk, Virginia, in the 1954 Customers' Sale and she has developed as she promised . . . she's a top female in any company. We are mating him to a lot of our cows and his first calves are most pleasing.

His dam is an ideal breeding matron by the 1946 International reserve grand champion, Alpine Sensation. His granddam was an outstanding granddaughter of the 1936 International grand champion, Oakwood Emperor.

Take time on sale day to inspect Circleview Leader carefully. He has the head and look of a SIRE. He has bulk and depth, near perfect hindquarter, and he is right on his legs. Deep, rugged bone, and substance. Get your hands on him. A world of natural fleshing, covered all over, and a hide to qualify. He's a balanced bull and he's ALL bull!

He was the senior champion and reserve grand champion bull at the 1954 International in the fastest show of Polled Shorthorns in the world!

Grand Champion West Virginia  
State Fair.

(in horned competition)

Melvin Kiger, Circleville, Ohio, bought his dam in the 1950 Oakwood Sale carrying the service of Oakwood Leader . . . and another great champion was born on the farm of an Oakwood customer.

and he is proving just as great a sire as he did in the show ring.

**Oakwood Determination x**

"Sire Supreme" is our title for Commander-in-Chief. The winnings of his get in the shows of 1950-51-52-53-54-55 by his sons and daughters, along with his grandsons and granddaughters, is evidence conclusive of his right to that title. These winnings are a matter of record—and this record bespeaks the potency of his blood.

We have Oakwood Predictor, his son, the 1951 International reserve grand champion bull in service.

We are retaining two other sons, Oakwood Regulator, undefeated junior yearling at the 1955 Illinois and Ohio State Fairs and the International, and Oakwood Maximum, full brother to Oakwood Myrtle 4th, 1952 International senior and reserve grand champion female. Both bulls will be shown this summer.

This sale will be the last sale at which you will find his get on offer. We are offering one son and three daughters. Take note of them and consider the grandsons and granddaughters also selling. They indicate the ability of this blood to "breed on."

Take a look at the show records of the past five seasons! Compare the performance of his calves with those of any other Polled Shorthorn bull! To us, it all adds up to the fact that the blood of Commander in Chief is potent blood, tested, and tried, and we are happy to SHARE IT WITH YOU on June 2nd!

## The \$10,500 Top Selling Bull of the Breed at Auction

**Owned jointly by M. E. Beman & Sons and C. B. Teegardin & Sons**

**OAKWOOD DETERMINATION** was marked for herd bull duty at Oakwood the day he was calved. He was sired by Commander in Chief and his dam, Gloster of Oakwood B, was a champion daughter of Gosshall Ximenes. That gave Determination the background we wanted in a breeding bull, for we insist on the bulls we use being from outstanding dams, as well as being sired by proven bulls.

Oakwood Determination died in February, 1955. The excellence of his daughters selling in this sale could indicate he was destined to make an important mark in Polled Shorthorn advancement. We are retaining a son for service at Oakwood. That illustrates our confidence in Oakwood Determination.

## Oakwood Conqueror x

Oakwood Conqueror was Grand Champion bull at the 1949 Ohio State Fair, and he was the first prize Senior Yearling bull at the International. He stood third at the American Royal, the highest rating accorded any polled bull in that National Show. He is an own son of Edellyn Royal Leader 2nd, he is also a grandson of the All American favorite, Edellyn Royal Leader.

Through his dam, he is a grandson of the \$5700 Gosshall Ximenes, son of the Perth Supreme Champion, Coldoch Union Jack. Calrossie Sweepstakes sired a son to be crowned Perth Supreme Champion. To us, he combines the "most of the best" in Shorthorn inheritance and wears it well with a polled head. His dam is the eleventh polled female in direct descent from the J. Dean Willis bred Nonpareil Chance, by Bapton Courtier. Glen Knolls Nonpareil was the top selling mature female in the Cherry Hill Dispersion and she produced the 1946 International Reserve Champion female.

Oakwood Conqueror sired S-G Admiration, the 1952 Junior and Grand Champion bull at the International. He also sired the first prize Junior Get of Sire at the same show, the only time we showed a Junior Get by Oakwood Conqueror. We are retaining his son, Oakwood Landmark as a junior herd sire.

We are selling more sons and daughters of Oakwood Conqueror than we have ever offered. Included in the group are some excellent herd bull prospects as well as daughters out of some of the better old brood cows we have owned.

## Oakwood Predictor x, 1951

### International Reserve Grand Champion Bull

Oakwood Predictor started his championship winning career at the 1951 Illinois State Fair where he won his first Grand Championship. He closed his 1951 campaign at the International, where he was Reserve Grand Champion bull. In 1952 this great son of Commander-in-Chief made his first showing at the West Virginia State Fair, where he was crowned Senior and Grand Champion bull. He closed his career at the Southeastern Show, Atlanta, Ga., as Senior and Grand Champion.

He was a championship winner twelve times in the two seasons! Withall, we consider him to be of true championship calibre. He is one of the thickest bulls that we have ever owned. He is NATURALLY thick from stern to stern. He has the head of a sire, the eye of a breeding bull. His shoulders are smooth and his quarters bulging. In breeding condition, he is the same kind of a bull.

His dam is a daughter of the 1941 Int. Gr. Champion, Coronet Command. His second dam is by the 1940 Int. Gr. Champion, Oakwood Commander. His third dam is granddaughter of Oakwood Rodney, 1929 Int. Gr. Champion.

Oakwood Clara C, his first daughter to be shown, won first at the 1954 International among the senior heifer calves. She topped her class at the Ohio State Fair. She will be shown again in 1955.

We rate OAKWOOD BENEFIT as the most promising prospect for a stock bull and sire we have offered in an Oakwood auction. He exemplifies what we hoped to produce when we first saw Lawton Benefactor at Leveldale. He has a head befitting his promise. He looks a sire. He has the eye of a stock bull. His color is ideal — rich dark roan. He is true in his lines . . . strong in his top, straight in his underline. Sturdy legs, each on a corner. A twist that is full and deep.

His dam bids fair to uphold the record set by his granddam, who, in her sixteen years at Oakwood produced a long line of top sires, including the \$5,000 Oakwood Grand Duke and Oakwood Forecast, that was exported to Australia in 1949 after winning first prize in the summer yearling class at the International. He has four polled dams . . . three of them have been consistent producers of cattle that have done well everywhere we have sent them. Our confidence in Oakwood Benefit is boundless.

**Bull**

Oakwood Grand Duke x, the \$5,000 son of Imp. Gosshall Ximenes that made such a sensational record in the Janesway herd at Chillicothe, Ohio. He was out of the granddam of Lot 1 in this sale.

Oakwood Forecast x, another great bull out of the granddam of Lot 1. He was purchased for export to Australia in 1949 after winning first prize in the summer yearling class at the International.

Oakwood Detector x, a son of Oakwood Predictor x and out of the same great cow as Lot 1 in this sale. He was purchased in the 1955 Oakwood Sale by Curtis F. Hively, New Waterford, and Raymond Pry, Massillon, Ohio.

**His inheritance**

Evergreen Roan Lady x1825375  
Roan, E. H. Thormodsgaard

OAKWOOD REALIST certainly has the essentials of a stock bull. He has the head and front of a sire. Bone, ruggedness, ample scale, an ideal bottom line and a rear quarter that is wide and carries deep into his twist . . . all these characteristics commend him. His dam is a daughter of the Sire Supreme, Commander in Chief.

His granddam stayed at Oakwood until her fifteenth year. Few cows have been more consistent producers of both bulls and females that "bred on." His third dam was undefeated in all shows in 1937 and 1938, and was one of the breed's better females of her time.

With his depth of polled breeding and his smooth head, he should APPEAL to those who are CRITICAL!

OAKWOOD MERCHANT is typical of the sons of Lawton Benefactor. Grand head, the eye of a stock bull. Short legged, sturdy bone, rear flank well down and a rear quarter packed with muscle. Soggy hide, mellow flesh and a dark rich red color.

His dam is the fifth generation of Oakwood breeding and the six polled sires include four International grand champions. We think his promise is fully guaranteed by his inheritance and we know that inheritance is paramount in the back ground of every TOP SIRE.

Roan, C. B. Teegardin & Sons

OAKWOOD CITATION is a rich dark red son of Lawton Benefactor. His is a sire's head. He is short of leg. He is deep sided. He is a mellow fleshed, soggy hided sort. He is a bull of both class and character. He isn't perfect but he possesses a liberal amount of strength, essential to Polled Shorthorn improvement. Consider him well.

He carries eight polled dams, four of which were daughters of International grand champion bulls. Six of them enjoy a high record of producing winners for Oakwood since the foundation cow came here in 1921. It has been a great family and he could be a noted sire.

**Lot 5****Bull****OAKWOOD ADJUSTER x2873-115**

Roan, Robert L. Stewart

OAKWOOD ADJUSTER is a very dark roan son of Lawton Benefactor that will appeal to many breeders. He has a smooth head. He has excellent scale and depth of body. He's full quartered and level. Shoulders that are set right and that will stay right.

His dam is an excellent red daughter of Oakwood Leader, a heavy milker and a thick cow. Alpine Annette 2nd produced the 1954 National Polled Shorthorn Congress grand champion female, Oakwood Annette 6th, and at fourteen years of age she's nursing another good one.

OAKWOOD ASSURANCE is a son of Lawton Benefactor that carries ample assurance that he should make a herd sire of outstanding ability. He looks the part and most certainly he inherits his promise. His dam, now in her sixteenth year, is a daughter of the 1940 International grand champion Oakwood Commander.

Six polled dams . . . five of them daughters of International grand champion bulls, should insure your consideration of this calf. Good headed, heavy boned, short legged, low set, great underline, full quarters, sappy hide—that's why we'd like to reserve the right to show him.

OAKWOOD NOBLEMAN is a rich dark red son of the champion and sire of champions, Oakwood Conqueror. He is smooth headed and good headed. He is deep sided, smoothly turned and a bull that will continue to improve as he develops. That's a characteristic of these grandsons of Edellyn Royal Leader 2nd.

His dam is a real breeding cow, heavy milker, deep bodied, smooth and broody. His granddam was of the same pattern and sold at \$1,650 to Dr. and Mrs. J. B. Stoll, West Plains, Missouri, in our 1953 sale. This calf will justify thoughtful CONSIDERATION!

Sporting Field Clara x, 1951 National Polled Congress grand champion female and one of the most famous producers of the breed. Her first calf was Archwood Chief x that sold at \$2,900 to Archwood Farms, The Plains, Virginia, at 3 weeks old, a record price for a polled bull calf of that age. Two more of her calves, full brother and sister to Archwood Chief x, are selling in this sale. See Lots 8 and 12.

**Yes!**

**Oakwood Chieftain**

**Bull**

Oakwood Chieftain x, Lot 8

OAKWOOD CHIEFTAIN is the youngest bull calf to be offered by the Sire Supreme, Commander in Chief. His full brother, Archwood Chief, sold at \$2,900 as a three weeks old bull calf to Archwood Farms, The Plains, Virginia. His full sister, Oakwood Clara D, sells as Lot 12 in this sale. His dam was the 1951 National Polled Shorthorn Congress grand champion female. He is too young to be fully appreciated, but he certainly has everything, by inheritance, and by performance, to guarantee his worth. Smooth headed—he should be a dehorner. Sappy hide, plenty of bone—thick, soggy and level. He's balanced, he's red and he'll put some herd at the top!

**Lot 9****Bull****OAKWOOD PROVIDER x2873-124**

OAKWOOD CAVALIER is a rich dark red son of Oakwood Conqueror. His dam is a daughter of Lady Golden 5th that produced both Commander in Chief and Oakwood Leader. He certainly looks like another 100% dehorner . . . and he has much to commend him. Heavy boned, thick, full quartered, shoulders that will always be right, low set, and ready for heavy service.

He has seven maternal polled dams . . . all the way to the imported Rosemary 122nd cow. A son of Oakwood Conqueror and a grandson of Lady Golden 5th should guarantee his siring calves that will BE RIGHT!

**Certainly! We put a lot of good ones back into the herd**

Eight beautiful daughters of Commander-in-Chief x and Oakwood Leader x. They have gone back into the herd to insure that Oakwood Polled Shorthorns shall remain favorites the world over.

OAKWOOD COMMENTATOR is a solid red son of Oakwood Conqueror that is ready for heavy service. He is deep bodied, has lots of bone and a smooth head. His dam is a heavy milking cow that has a record of producing well. His granddam was a consistent producer of bulls that "made good" as sires. J. M. Dountz, Orient, Ohio, has an outstanding bull out of Oakwood Helen 2nd that is siring excellent calves. See him and you'll know what this bull can do for you.

Oakwood Commentator x. Lot 11

Left — Critical cattle judges from four states bought these four beauties in the Oakwood sale a year ago. From left to right they are: Oakwood Lavender 28th x, purchased at \$700 by DeWitt & Mansfield, Illinois; Oakwood Clara 7th x, purchased at \$1.125 by Ridgely White, Virginia; Oakwood Missie 27th x, purchased by Jim Yost, Ohio; and Oakwood Lancaster 3rd x, purchased by H.D. Case, Maryland.

All of these beautiful heifers were bred at Oakwood and went right back into the herd to insure the consistency of performance for Oakwood Polled Shorthorns YEAR AFTER YEAR. The dams of several animals in this sale are included in this group.

Here are a few of the heifers that sell in this sale. Aren't they great? They are the kind that will help North America retain world leadership in the production of Polled Shorthorns. Best of all, they are all carrying the service of the greatest young bull of the breed, Creekland Lancer x, 1955 International grand champion.

## *About the Females in this Sale . . .*

Visit the herds of successful breeders and study their methods. Invariably they will point with pride to the females they have secured from Oakwood. No matter where you are located there is plenty of proof of the value of Oakwood blood.

The females in the Seventeenth Annual Oakwood Sale are better than in any previous sale. Buy them! Chart your course so that you will move ahead faster . . . and surer!

**23 females mated to the 1956  
International grand champion  
CREEKLAND LANCER x.**

**5 females mated to LAWTON  
BENEFACITOR, the greatest imported  
sire ever used in a Polled  
Shorthorn herd.**

**3 females selling with a breeding  
privilege.**

**Vaccination has been practiced at Oakwood for years and  
no mention is made of this fact in individual footnotes**

Oakwood Chieftain x, Lot 8 in this sale. He is a full brother to Lot 12.

Oakwood Clara D x, Lot 12 in this sale. She is a full sister to Lot 8.

Archwood Chief x, sensational bull that sold as a 3-weeks-old calf at \$2,900 to Archwood Farms. He is a full brother to Lots 8 and 12 in this sale.

Sporting Field Clara x, the dam of Lots 8 and 12 in this sale. This daughter of Riverdale x was bred by W. H. McCeney of Virginia and is now one of the top producers at Oakwood Stock Farm. She was the grand champion female at the 1951 Polled Shorthorn Congress.

## The RIGHT KIND never cost . . . they PAY and she's the RIGHT KIND

Female

OAKWOOD CLARA D is the most valuable female we have ever offered. She is one we had always planned would spend her life at Oakwood. Only our desire to make this offering our BEST, prompts us to sell her, for as a brood cow prospect we consider her one of the best we have ever produced. Those who attended our 1952 sale will recall her full brother, Archwood Chief, that sold for \$2,900 to Archwood Farm, The Plains, Virginia, as a three-weeks-old calf. This bull developed into one of the best bulls of the breed and Archwood Farm and the Polled Shorthorn breed suffered a great loss when he died in July, 1954.

Her dam was the grand champion female at the 1951 National Polled Shorthorn Congress show. She is doing an equally impressive job as a brood cow. Clara Corona was an outstanding daughter of the 1941 International grand champion Coronet Command. Edellyn Clara 11th was the top female in the Allendale dispersion at \$3,150. No family at Edellyn has produced so many of their best. No cow at Oakwood has been a better brood cow than Sporting Field Clara.

Oakwood Clara D isn't going to be highly fitted for she has been wintered on silage and hay. She is one of the first heifers settled to Creekland Lancer, the 1955 International grand champion bull. We would expect that calf to be one of GRAND CHAMPIONSHIP calibre!

Study the individuality of the cattle in the Oakwood offering. Then visit the herds of Oakwood customers and study the cattle produced by them from seed stock purchased in earlier Oakwood Sales. Then buy liberally! Chart your course so that you will move ahead faster . . . and surer!

Oakwood Gloster 6th x, Lot 13

Oakwood Missie 30th x, Lot 14

Oakwood Mainstay x, 1950 International reserve champion, now siring top calves at Kyalla in Australia. The dam of Lot 14 is a full sister to this famous bull.

OAKWOOD GLOSTER 6TH is a dark rich roan heifer of unusually strong inheritance. She combines the blood of sires of known repute and it's a family that has spelled PROGRESS. Her sire, S & G Admiration, was the 1952 International grand champion bull. Her dam represents a concentration of the blood of the International grand champion, Oakwood Royal King. She sells with a breeding privilege to the 1955 International grand champion Creekland Lancer, and we feel the calf from that mating should be one of GUARANTEED PROMISE.

Oakwood Missie 6th x1957404  
RLW, C. B. Teegardin & Sons

OAKWOOD MISSIE 30th is a daughter of the 1952 International grand champion, S & G Admiration. Her dam is a full sister to Oakwood Mainstay, the 1950 International reserve grand champion bull whose calves are outstanding in the Kyalla herd in Australia.

Backed by a combination of the blood of no less than four International grand champion bulls, she wears her promise well. She sells with a breeding privilege to the 1955 International grand champion, Creekland Lancer. We'd like to reserve the right to show Oakwood Missie 30th this season. This family has been a part of the Oakwood breeding program since 1925 and from that time forward they have regularly produced champions, down through the years. We believe this heifer will continue to uphold that tradition.

Three more beauties, all bred at Oakwood, all by famous Oakwood sires, and all selling in the 1956 sale. Best of all, they are all bred to Creekland Lancer x, the 1955 International grand champion. From left to right, they are: Oakwood Nonpareil 4th (Lot 15), Oakwood Lancaster 4th (Lot 16), and Nonpareil of Oakwood 4th (Lot 17),

OAKWOOD NONPAREIL 4th is a daughter of the old champion and sire of champions, Oakwood Conqueror. Her dam is one of our better breeding cows. Her granddam and her third dam were the same kind, thick, deep, heavy milkers. We sold a full sister in the 1954 sale to go to R. Ingle Brown, New South Wales, Australia. She left Oakwood with a most outstanding solid red bull calf at side, perhaps the best calf that ever left Oakwood for export. Oakwood Nonpareil 4th could be one of the better brood cows to be sold in 1956. She is well forward in calf to the 1955 International grand champion, Creekland Lancer.

Oakwood Nonpareil 3rd x, pictured above, is a full sister to Lot 15. She was purchased in our 1954 sale by R. Ingle Brown, New South Wales, Australia, at \$1,750 and before she left she gave birth to a solid red bull calf.

**Oakwood Lancaster x**, purchased by Buzz Lusk, Houston, Texas, in the 1950 Oakwood Sale. Comes from the same family as Lot 16 in this sale.

## Lot 16

OAKWOOD LANCASTER 4TH is a granddaughter of both Commander in Chief and Oakwood Leader. Her dam has a most promising heifer at foot and she'll spend her days at Oakwood. This family is consistent in producing well and her granddam has an unusual record of having produced both bulls and females that "bred on." Oakwood Lancaster 4th is well forward in calf to the 1955 International grand champion, Creekland Lancer. There is no doubt in our minds about the worth of the calves the pair of Lancaster heifers in this sale should produce from his service.

## Female

Nonpareil of Oakwood 3rd x by Oakwood Bequest x. She was purchased in the 1953 Oakwood Sale by Dr. and Mrs. J. B. Stoll, West Plains, Missouri. She is a maternal half sister to Lot 17 in this sale.

NONPAREIL OF OAKWOOD 4TH was labeled to stay at Oakwood, for her dam has been an excellent producer. In the 1951 sale a daughter went to Bert Fields in Texas. In 1953 a daughter went to Oak Shade Farm, our neighbors at Williamsport, Ohio. In 1953, Nonpareil of Oakwood 3rd went to Dr. and Mrs. J. B. Stoll, West Plains, Missouri, at \$1,650. Each has made an excellent brood cow. This heifer is one of the last daughters of Commander in Chief we will offer and she sells mated to Creekland Lancer.

Augusta Lady 5th 1844414  
Red, Earlene Purdy

WHITE OAK AUGUSTA D 2nd topped the class of senior heifer calves at the Ohio State Fair. She battled for top place at the International and stood second to Lynnwood Farms' junior and reserve grand champion female. She's a strong prospect for 1956 shows and we want to reserve the right to show her.

Sweet headed, deep bodied, thick all the way, she pleases, coming or going. Rugged in her bone, she's the kind to produce stock bulls. Her three-quarters sister is the same kind. This pair is certainly eloquent testimony to the ability of Oakwood Determination as a sire. Montezuma was a top son of the 1941 International grand champion, Coronet Command. The third dam, Augusta Lady 5th, was the granddam of Coronet Command.

She's mated to the 1955 International grand champion, Creekland Lancer. There is no ceiling on the worth of that calf.

**Lot 19****Female****WHITE OAK ROSEWOOD M D x2819-523**

White, C. B. Teegardin & Sons  
Oakwood Rosewood 12th x1976591  
Red, Mercedes Huff Teegardin

WHITE OAK ROSEWOOD M D is a rich dark roan that fully fills the descriptive phrase, "outstanding." She has a brood cow's head. She is deep of body. She's short of leg and she's smoothly turned. She is a balanced female and she stands on rugged bone. She could produce stock bulls for the critical buyer. We want to reserve the right to show her in the 1956 shows. See her three-quarters sister, White Oak Augusta D 2nd. Aren't they a top pair? Her granddam is by the 1939 International grand champion, Oakwood Merry King. Her third dam is by the 1936 International grand champion, Oakwood Emperor. The next dam was by Oakwood Royal King, the peer of sires. Then add Commander in Chief, Gosshall Ximenes, by the Perth champion, Coldoch Union Jack, and the 1941 International grand champion, Coronet Command. We feel she has inherited both her excellence and her brood cow promise.

She's selling mated to the 1955 International grand champion, Creekland Lancer.

Oakwood Augusta Cestria x, purchased in the 1955 Oakwood sale by DeWitt & Mansfield, Decatur, Illinois, at \$1.125.

Oakwood Juliana x, purchased in the 1955 Oakwood sale by Fred Smalstig, Pittsburgh, Pennsylvania, at \$1,000.

OAKWOOD GLOSTER 7th is a rich red daughter of the champion and sire of champions, Oakwood Conqueror. Her dam topped the Millbrook sale in 1943 and she's still working. Her second dam produced the 1947 International grand champion bull. This Duchess of Gloster family made the Maxwalton herd famous and this heifer bids well to add further laurels to the family. She's young but she'll be WORTH OWNING.

White, M. D. Teener

L & L VICTORIA MAID is a show prospect and she's one that is sure to make a top brood cow. Her dam sold in an Oakwood sale and was carrying a top calf sired by Oakwood Bequest. When the Heinsohn herd was dispersed I advised Jim Adams to buy Oakland Victoria 8th for I had owned two of her sisters. Her second dam is a full sister to the dam of the \$4,700 Oakwood Command. Every animal in this pedigree is one we know and rate highly. That's why we believe so thoroughly in L & L Victoria Maid. We left her open and have just mated her to the 1955 International grand champion, Creekland Lancer. She can stand fast company in the best shows of the land. Study her from every angle. She fills your eye. Then don't overlook her inheritance. It simply guarantees that SHE is RIGHT!

Roan, Ray H. Hunt

MAMIE MELODY is a sweet headed, smooth, breedy heifer. She just looked every inch a brood cow and we brought her to Oakwood to mate to Creekland Lancer. She is the first calf by C F Collynie 18th and we note with confidence that his dam is sired by Edellyn Graduate. That bull sired Strowan Myrtle that produced so many champions for Oakwood. Regal Stamp was by Highland Stamp, exported to New Zealand in 1934. Standard's Creed was by a son of Beauty's Sultan and he sired many of the breed's top cattle thirty years ago. Yes, this heifer inherits her promise from good bulls, generation upon generation and she'll render a good account. She'll start with her calf sired by Creekland Lancer.

Red, Leemon Stock Farm

OAKWOOD AUGUSTA LADY 5th is a rich red heifer that combines the blood of Commander in Chief and Oakwood Leader. Her dam is a cow of great scale and a heavy milker. Her granddam produced the top selling bull at \$1,500 in the 1945 Polled Shorthorn Congress. She's still at Oakwood in her fifteenth year and still quite a good cow. That's just one of the reasons we believe this heifer will make good.

Oakwood Clara T x by Commander-in-Chief x. After she was purchased by H. D. Case, Mt. Airy, Maryland, at \$2,000, top price of the 1955 Oakwood Sale, she went on to win first prize in the junior yearling class at the 1955 International Live Stock Show. Congratulations, Mr. Case, on your ability to pick the winners!

OAKWOOD ROSEMARY A is a rich dark red granddaughter of the sire supreme, Commander in Chief. She is very short of leg. She is deep bodied. She is thick, all the way. She has worlds of bone. Few heifers of her promise will be available in 1956. Her dam is a great cow, a heavy milker and a member of the highly regarded Shepherd Rosemary family. If you are a discriminating buyer, you'll aspire to her ownership.

H C Modern Augusta x, a granddaughter of Oakwood Modern Trend x, that was purchased in the 1955 Oakwood sale by Bill Jones at \$1,000 for the great herd he is building at Home Again Farms, Franklin, Virginia.

They went to four different states . . .

Four good ones that were selected by critical buyers from four different states. They sold in the 1955 Oakwood auction. All are granddaughters of Commander-in-Chief x. From left to right, they sold respectively to Dr. J. A. McCoy and Roger Bonham, Ohio (\$800); Ernest Hinson, Georgia (\$1,000); Winwood Farm, Alabama (\$700); and H. D. Case, Maryland (\$600.)

OAKWOOD LANCASTER 5th is a red daughter of Oakwood Conqueror, we hate to see leave Oakwood. Her dam stayed with us until she was fifteen years old and her seed is widely scattered. A daughter went to the Armstrong herd in Ontario, Canada. Another is in the Lusk herd in Texas. Another went to Florida and helped establish a small herd of top cattle. Another went to Jim Adam's L & L herd at Dothan, Alabama. A full sister is in the H. D. Case herd in Virginia. This heifer isn't a show heifer but she looks every inch a brood cow. Good head, smooth, level and balanced. She's mated to the 1955 International grand champion, Creekland Lancer.

ELMDOWN ROAN LADY 14TH could be the **Opportunity** female of 1956. She has small loose scurs, looks like she's polled and she's a whale of a heifer. Perfect dark mossy roan, thick from end to end, lots of bone and smooth all the way. She's a granddaughter of imported Drynie Wonder, the bull whose record of siring stock bulls is well known. Her dam is a granddaughter of Edellyn Royal Leader. A full sister in blood was the 1955 Ohio Shorthorn Sale reserve champion and another heifer bred the same way was grand champion in the 1956 Ohio Shorthorn Sale. This family produced many of the famous Maxwalton show cattle. She's attractive from every approach—combining the blood of the best bulls of the breed, she can establish a polled family of distinction. We offer her as an attraction and she's selling with a breeding privilege. New blood for Polled Shorthorns and it's **PROVEN BREEDING!** None better.

Drynie Wonder, grandsire of Lot 27. This imported son of Naemoor Immaculate has made a sensational record at Willow Lee Farms, Washington Court House, Ohio. His sons are heading the herds at Ohio State University, Michigan State College and Pennsylvania State University. He sired the winning junior get-of-sire at the 1953 International and his sons and daughters are "breeding on" in many top herds.

Roan, C. B. Teegardin & Sons

OAKWOOD ESTELLE 38TH is the only Estelle heifer we are offering . . . and we'd like to keep her. See the daughters of Oakwood Determination we are selling . . . see the summer heifer we will be showing and the bull calf out of the 1950 International reserve champion, Oakwood Gladness. Oakwood Determination left good ones and his early death was a real loss.

Her dam is a daughter of Oakwood Leader. Her granddam is by the 1939 International grand champion, Oakwood Merry King. Her third dam was the dam of Oakwood Emperor, 1936 International grand champion bull. Her dam was the imported cow that came to Oakwood. This heifer looks like a brood cow to us and we can recommend her highly.

Oakwood Estelle 37th x, shown above, is from the same family as Lot 28. This daughter of Oakwood Conqueror x was purchased in the 1955 Oakwood sale by Fred Dennis, Pleasant Plain, Ohio, as a foundation female. Mr. Dennis also owns Oakwood Estelle 35th, purchased in the same sale.

Oakwood Proud Chief x, purchased at \$1,200 by Hosler & Courtright, Amanda, Ohio, in the 1953 Oakwood Sale and now siring grand calves in that strong herd. He is by Commander-in-Chief x. He is out of the same cow as Lot 29.

G F DIAMOND SECRET B is a daughter of the \$3,100 Oakwood Mainliner. She is deep bodied, thick, level, true in her lines and looks like a breeding cow. She comes from a long line of good cows . . . a matter of importance in this business. Her sire is a full brother to Oakwood Myrtle 4th, senior and reserve grand champion female at the 1952 International, and to Oakwood Maximum, retained at Oakwood. She sells mated to Lawton Benefactor. We believe in this heifer and her calf sired by this bull could make her well remembered.

**Lot 31****Female****ROAN LADY OF OAKWOOD 8TH x2829-829**

Tattoo LE 339

Red, calved Mar. 10, 1954. Bred and owned by Mrs. Paul W. Teegardin, Ashville, Ohio.

GLOSTER OF OAKWOOD H is a thick, rugged, roomy daughter of Oakwood Determination. Her dam has been an excellent brood cow . . . heavy milker and she's still at Oakwood. The granddam produced an International grand champion and Maxwalton Gloster 57th was one of the better brood cows in the famed Maxwalton herd. This heifer sells bred to Lawton Benefactor.

Tattoo RE C 107

Dark Roan, calved Dec. 1, 1954. Bred by Albert A. Clausen, Arthur, Illinois. Owned by C. B. Teegardin &amp; Sons, Ashville, Ohio.

EDGECREEK ROSEBUD is a rich dark roan heifer that was the grand champion female in the Illinois State Sale. She's sweet headed. She's deep bodied. She's thick and she's balanced. End to end, anyway you look at her, she pleases. Her sire, Lynnwood Fortress, was the grand champion bull at the 1954 Illinois State Fair. Edgreek Rosebud is a granddaughter of two notable animals, Lynnwood Leader and the International grand champion, Hilldale Augusta May. Through her dam she combines the blood of Edellyn Royal Leader 2nd, sire of Cherry Hill Royal Decree and Master Stamp, 1946 International grand champion bull, sire of Royal Favorite. A grand heifer by any comparison and one you can own with justifiable pride. She's mated to Creekland Lancer, 1955 International grand champion bull. We'd think that calf should be of CHAMPIONSHIP calibre!

KINTYRE QUEEN OF BEAUTY 25TH was the outstanding heifer of this noted family in the Kenner Dispersal. For half a century this family has carried forward and the array of sires in her pedigree simply lends assurance that she will be a breeding cow. Sweet headed, deep bodied, thick, smooth, lots of bone, and the richest red color. Study the four daughters of Coronet Max Juggler 9th, consider them and what they can do for your herd. Good bulls are a must . . . but it takes good females like Kintyre Queen of Beauty to mate with them. She's bred to the 1955 International grand champion, Creekland Lancer. That should give her UNIVERSAL APPEAL!

KINTYRE MARILO BONNIE is a show prospect and a breeding cow, par excellence. She is very short legged, deep bodied, smoothly turned and she fills your eye. Her sire now heads the Wm. M. Camp, Jr. herd, Franklin, Virginia, and her dam comes from a long line of excellent cows. We held her open until late so she could be shown. She will stand fast company and mated to the 1955 International grand champion, Creekland Lancer, she should produce a calf that would be WORTH OWNING!

KINTYRE BROADHOOKS 7TH is a daughter of Coronet Max Juggler 9th. We really believe in her. She comes from a family that has produced top cattle consistently. Her dam was certainly one of the better brood cows in the Kenner herd. Every sire in her pedigree is a bull of known repute, a winner of top honors, or the sire of International winners. Have a look here . . . see the four daughters of Coronet Max Juggler 9th . . . see the heifer, by the same sire, that we will be showing this season . . . they will do! Kintyre Broadhooks 7th is well forward in calf to the service of the 1955 International grand champion, Creekland Lancer.

Three outstanding daughters of Coronet Max Juggler 9th x that will sell in this sale. From left to right they are: Kintyre Beauty 25th x (Lot 34); Kintyre Marilo Bonnie (Lot 35); and Kintyre Broadhooks 7th x (Lot 36). All have been mated to Creekland Lancer, the 1955 International grand champion.

OAKWOOD ANNETTE 8TH is out of one of our old reliable cows . . . she's old, she's still here, and nursing a good bull calf. Dependable, profitable and "worth owning" have been these daughters of Alpine Annette 2nd. Last year a daughter went to Jack Hooker, Plant City, Florida. Another daughter was the 1954 National Polled Congress reserve champion female. She is now in the Foxdale herd at Duluth, Georgia. This heifer is selling mated to Creekland Lancer.

OAKWOOD GRACEFUL MISS 5TH is a daughter of the old champion and sire of champions, Oakwood Conqueror. She is a Lady of the Meadow, the family that made J. H. Miller famous and kept him at the top. Six polled dams are sired by five International grand champion bulls. This heifer is thick, rugged and roomy . . . a real brood cow sort. She is due to calve in September to the service of Lawton Benefactor whose first polled sons are selling in this sale. This is a family to tie to . . . and stay with!

Aren't they nice? These heifers made four buyers happy in the Oakwood sale a year ago. From left to right they are: Oakwood Lady Augusta 3rd x, sold at \$560 to Roger Bonham, Washington C. H., Ohio; Oakwood Estelle 35th x, sold at \$810 to Fred C. Dennis, Pleasant Plain, Ohio; Oakwood Graceful Lady 4th x, sold at \$600 to Roger Bonham; and Oakwood Gloster 2nd x, sold at \$625 to Loyal Spang, Butler, Pa.

FASHION DAFFODIL is a rich red heifer of thickness and substance. She belongs to a family that have "made good" for generations . . . a family that have enjoyed the same reputation in Scotland. The bulls behind her are right . . . the females are right . . . and we think her mating to the 1955 International grand champion, Creekland Lancer IS RIGHT.

Yes, it's a sale for everyone that no one can afford to miss. The annual Oakwood sales attract good cattlemen from all parts of North America and from many foreign countries. These four sold in the 1955 Oakwood sale. The two at the left went to Jack Hooker of Florida at \$600 and \$350. The third heifer went to Dr. J. A. McCoy of Ohio at \$460 and the fourth went to Ridgely White of Virginia at \$600.

S & G Admiration x, the 1952 International grand champion, bred by C. B. Teegardin & Sons. He is a direct descendant of Oakwood Missie 12th x, the granddam of Lot 45.

OAKWOOD MISSIE 29TH is the only daughter of Oakwood Landmark being offered. We had her laid back to stay at Oakwood and she's wintered without grain. She's sweet headed, level, smooth, and inherits the right to make a breeding cow. Her dam is a dark roan and a heavy milker. Her granddam is the dam of the \$4,000 Oakwood Majesty, 1955 National Polled Shorthorn grand champion bull now heading the Frank Johnson herd at Red Deer, Alberta, Canada. She is likewise the dam of Oakwood Missie Mine, one of the Oakwood heifers purchased by Gordon Blackstock as a foundation female in the Bapton Herd in Scotland. She's mated to Creekland Lancer!

H H S LADY CLIPPER is a red heifer of great scale, roominess and bulk. Two full sisters in the Hansen herd are splendid individuals, and both are top-notch breeders. This heifer will make the same kind. Sunray was the 1941 International grand champion Shorthorn bull. Collynie Fascinator sired many of the breed's best, while Lynnwood Nugget sired the \$5,000 Riverdale. She sells mated to the 1955 International grand champion, Creekland Lancer. It should be a calf WORTH OWNING.

H H S LADY JILT is a very dark roan heifer of scale, roominess and ruggedness. She belongs to the Jilt family and her dam is an excellent cow, big, thick and a heavy milker. Take a look at the third generation . . . Collynie Foremost, Gosshall Ximenes, Commander in Chief and Browndale Golden Victor . . . each a sire of known repute, the last two being 100% dehorners. She inherits the right to make a good brood cow and she is mated to Lawton Benefactor.

FAR HILLS GOLDENDROP 5TH is a thick, rugged, low set heifer, heavy in her bone and from a dependable family. She is sired by a grandson of the \$5,000 Crieffvechter Beacon and her dam is a granddaughter of Oakwood Crown Command. She sells mated to Creekland Lancer, 1955 International grand champion bull.

Like them? Of course you do! Anyone would. They all sold in the 1955 Oakwood sale to buyers who are strict in their foundation selections. From left to right these four went to Col. Geo. H. Miller of Georgia, Ernest Hinson of Georgia, Winwood Farms of Alabama, and Raymond Brackbill of Pennsylvania.

FAR HILLS GRACEFUL is a dark roan heifer of the Law Graceful family. She is sired by the 100% dehorning Oakwood Denominator—a rugged red bull of thickness and scale. Her dam is an excellent cow and she's a granddaughter of Browndale Conqueror, one of the breed's best known sires that sired so many winners for Maxwalton. This heifer is due to calve in August to the service of Circleview Leader, the 1954 International senior and reserve grand champion bull.

Oakwood Rosewood 35th x, a daughter of Oakwood Bequest x, that was purchased in the 1953 Oakwood sale by Creekland Farms where the 1955 International grand champion Creekland Lancer, now owned by Oakwood, was bred and where one of the finest herds in America is maintained.

STROWAN MYRTLE 3RD is a dark roan horned heifer out of Elmhurst Myrtle 4th, an outstanding daughter of Edellyn Modern Mercury with loose horns. A full sister to Elmhurst Myrtle 9th is one of the better brood cows at Edellyn Farm. Shorthorn breeders regard Edellyn Modern Mercury as one of the best sires of brood cows in America. Have a look at our summer heifer we plan to show. She's out of an Edellyn Modern Mercury dam. Furthermore, this is the same family as Strowan Myrtle, the dam of so many Oakwood winners. This heifer is a foundation sort, one to establish a strong family. You pick the bull you want her mated to ... we are selling with a breeding privilege.

FAR HILLS GOLDIE 2ND is a rugged, deep sided, red heifer sired by Oakwood Denominator, a solid red 100% dehorning grandson of the 1941 International grand champion Coronet Command. Her dam is a granddaughter of Maxwalton Grand Measure, used with success by P. G. Ross. She comes from a dependable family and she's due to calve in August to the service of Oakwood Landmark.

## Here's an interesting statement from Don Longley that appeared in the 1956 Creekland sale catalog.

As soon as I returned from my pre-sale visit to Creekland last year, I began writing to breeders everywhere telling them about the outstanding calves to be sold. I even went so far as to say there was a calf in this sale that could go all the way at the International. Who bought the bull? A man who owns about as many top Polled Shorthorns as anyone I know. He figured there was always room in his herd for another good one. This bull turned out to be the 1955 International grand champion.

The point is this. In my travels it is only natural that I encounter a lot of people who tell me they are looking for outstanding herd bulls. Why then, didn't more of them come to take a look at Creekland Lancer or bid on him. Certainly the price was right and the bull was right. Today there are breeders who would pay ten times the price paid at the Creekland auction for this bull. Why didn't they then? They lacked confidence in their own judgment. They needed the judgment of an expert to give this confidence to them. I believe the reason is an ultra-conservative attitude on the part of many Polled Shorthorn breeders. Many who dream about rising to the top lack the necessary drive, determination and gambler's instinct to go out and buy the ones they need to make real herd progress.

Polled Shorthorn breeders have within their grasp a potential for breed expansion that is overwhelming. The whole world is looking to you. Other countries are now beginning to buy your best. Let's not lose our world leadership in the Polled Shorthorn field. Be more aggressive. Don't hang on with any second rate cattle in your herd. Let's have a scramble for every good one. You can raise the price level of your own cattle and that of the breed in general. I believe firmly this will be accomplished and those of you who do own the premium kind will enjoy very good prices.

**And we might repeat the statement that appears elsewhere in this catalog:**

**"Creekland may feel very proud to have bred Creekland Lancer. We are certainly proud to have the privilege of using him."**

Right: First prize junior get-of-sire at the 1952 International, sons and daughters of Oakwood Conqueror x. In 1950, 1951 and 1953, Oakwood won first prize in the get-of-sire class at the International on the sons and daughters of Commander-in-Chief x.

Right — Paul Teegardin holds Creekland Lancer x, the popular 1955 International grand champion bull. Jim Adams, president of the American Polled Shorthorn Society, presents Paul with an International trophy while Charles J. Lynn right, presents the Lynn Challenge Trophy to Clara Teegardin.

Miss Carol Teegardin proudly displays Oakwood Majesty x, grand champion bull at the 1955 National Polled Shorthorn Congress at Lexington, Kentucky. Bred and exhibited by Oakwood Stock Farm. Purchased at \$4,000, top price of the sale by Frank Johnson, Red Deer, Alberta.

# NOT JUST ONE YEAR . .

Creekland Lancer x, grand champion bull and Oakwood Clara T x, first prize junior yearling heifer. Together they won first prize in the class for pair of yearlings.

HC Defender Max x, first prize winner at the International in 1954 and 1955 and champion sale bull in 1955. He was purchased at \$2,000 by Lou Laughlin, Imogene, Iowa.

Oakwood Myrtle 8th x, first prize junior heifer calf and reserve junior champion at the 1954 International. Sired by the 1952 International grand champion S & G Admiration x.

Oakwood Clara T x by Commander-in-Chief x. First prize junior yearling heifer for Teegardins. Purchased in 1955 Oakwood Sale at \$2,000 by H. D. Case.

Oakwood Clara C x, first prize senior heifer calf at the 1954 International. Sired by the 1951 International reserve grand champion, Oakwood Predictor x.

This Oakwood pair won first prize for pair of calves at the 1954 International.

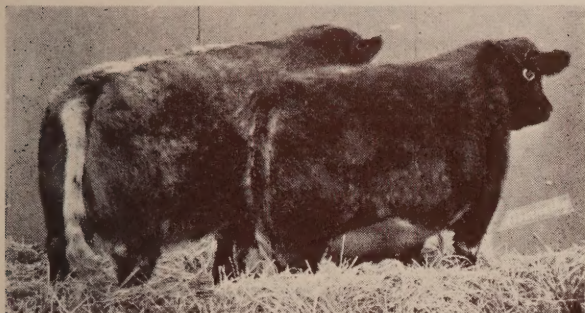

Oakwood Formula x. Sold at \$2,000 to South & Gallaher.

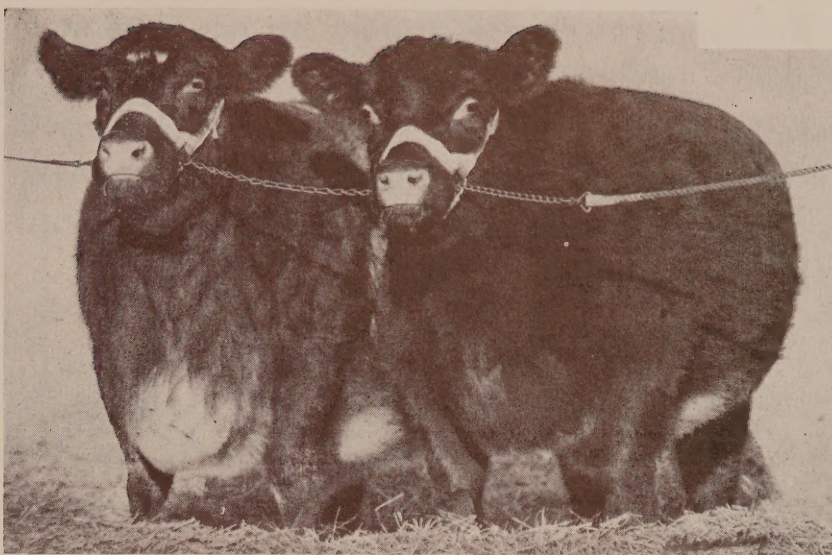

Oakwood has won first prize in the class for "Best Ten Head" at the International Live Stock Show three times during the last five years. This is the group that won highest honors at the 1954 International.

# EVERY YEAR!

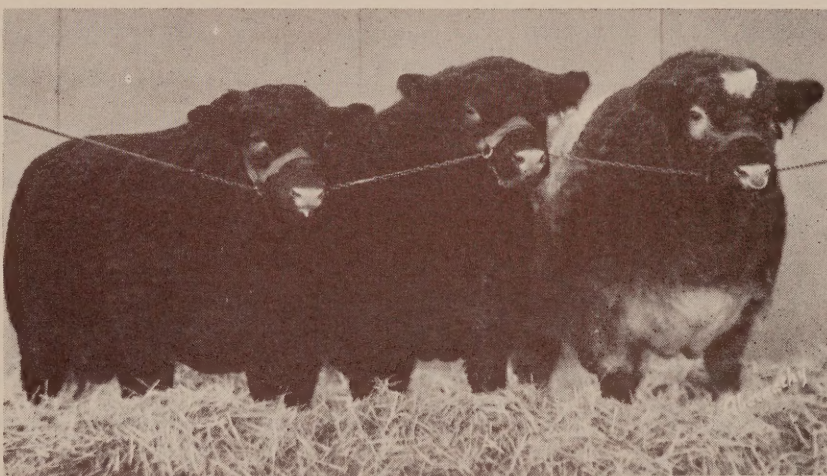

First prize pair of females 1953 International, exhibited by Oakwood Stock Farm.

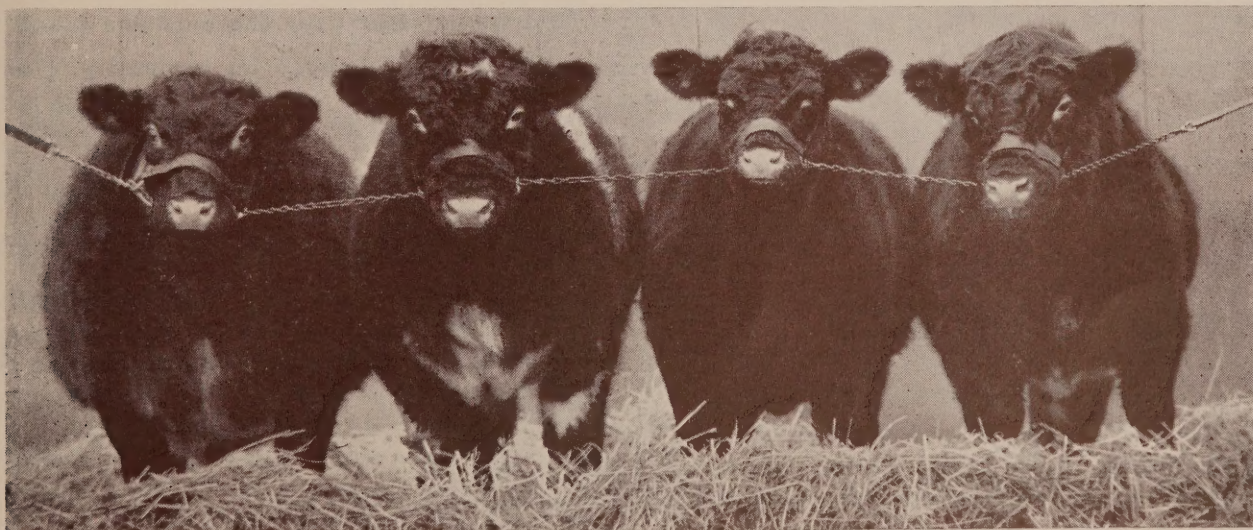

Oakwood Myrtle 4th x and Oakwood Gladness x. They won first prize for pair of females at the 1952 International. They won the same prize when shown as yearlings in 1951 and as calves in 1950. Three times in a row! It's a record for any breed.

Oakwood Flora 3rd x, senior and reserve grand champion female 1953 International. Grand champion Ohio and Illinois State Fairs. Sire, Commander-in-Chief x.

Above are the three great bulls that won first prize in the class for best three bulls at the 1954 International Live Stock Show.

First prize Polled Shorthorn get-of-sire by Commander-in-Chief x at the 1953 International Livestock Show. Bred and exhibited by C. B. Teegardin & Sons, Ashville, Ohio. Other Oakwood bred groups won first prizes in the get of sire class at the International in 1950 and 1951.

Frequent references appear in this catalog to the many International champion bulls that have been bred, exhibited or used by Oakwood. So that breeders may be better able to analyze the pedigrees of animals in this sale, we print the list herewith.

Yes . . . ten times the supreme honor of International grand champion bull has come to Oakwood . . . a record without equal! All ten of these International grand champion bulls have been used at Oakwood, and today's calves, the best ever produced in the Oakwood Herd, represent a concentration of this championship blood. Is it any wonder that champions continue to come from Oakwood and from the herds in which Oakwood sires are used?

## Why Not Let Oakwood Blood Help You Produce The Blue Ribbon Kind?

Oakwood type commands admiration; Oakwood pedigrees insure PROGRESS; and Oakwood performance spells PROFITS for those who use Oakwood blood.

*Get your share of the blood that has  
proved its leadership. Plan now

## The acid test —

**I**T IS EASY to make mistakes in the founding of a new herd or even in the effort to improve one already established. We can think of several we have made ourselves. The pitfalls are far fewer, however, if advantage is taken of the experience of others who have had a fair measure of success. To those of you who may be contemplating the purchase of a new herd bull or a few foundation females, we suggest, first of all, that you visit the farm of some man who has previously made purchases from the same source which you contemplate patronizing. Study the calves. This is the acid test. You'll find Oakwood bred Polled Shorthorns just around the corner from most anywhere in this country. We do not hesitate to urge any prospective buyer to visit these farms. We are certain it will cause a desire to own some of the good animals in this sale.

There's a certain quality about  
Oakwood Polled Shorthorns which  
lifts them right out of the ordinary
